

Traffic Patterns & Base Access Procedures for 2018 NAS Jax Air Show

- The **Birmingham Gate** will not be open to the general public. It will only be open to individuals with authorized base access (Government ID Card). This is to allow for normal daily business and commute aboard the installation south of Yorktown Avenue.
- The primary entry gates for the air show will be the **Yorktown (Main) Gate** and the **Allegheny (Commercial) Gate**.
- If you are traveling north on U.S. 17 you will be directed to the **Yorktown (Main) Gate** for air show access and event parking. As you enter on **Yorktown Avenue**, all traffic lanes will provide you with access to a designated parking location. Traffic signs and police officers will direct you into an authorized parking zone. Do not disrupt traffic flow or delay other visitors by attempting to drive around traffic control points.
- If you are traveling to the air show south on U.S. 17 you will be directed to the **Allegheny (Commercial) Gate** for air show access and event parking.
- The entire air show event will be restricted to airfield locations north of Yorktown Avenue. Visitors will not be allowed south of Yorktown Avenue at any time during the weekend event. Upon completion of each daily show the traffic patterns will be reversed to assist visitors in exiting the installation safely.
